aqua med (en) > Products (en/products) > dive card basic (en/products/dive-card-basic)

dive card basic

for scuba & leisure divers

Offers all-round protection worldwide when diving or travelling

24/7 medical emergency hotline

Direct 24-hour access to our emergency physicians, without being put through to a call centre.

Professional emergency management

Arrangements of any further treatment required in an emergency, including the return transport to your country of residence if necessary.

Storage of medical data

Possibility to store your medical data such as blood group, allergies or drug intolerance in the aqua med emergency database. Storing your medical data means that your information is directly accessible to the aqua med physicians in an emergency.

Foreign travel health insurance

(56 days per trip)

Comprehensive cover for treatments and ambulance transport with unlimited coverage of costs.

Diving accident insurance

Unlimited coverage of costs for hyperbaric chamber treatments.

Divers' personal liability insurance

(around 56 days per trip)

Protection against liability claims (e.g. compensation claims) whilst diving as well as during the preparation for the dive and the post-dive period.

dive card basic

only € 49 per year

Apply for it online (<https://customer.aqua-med.eu/customers/contacts/registerform?card=2&lang=en>)
